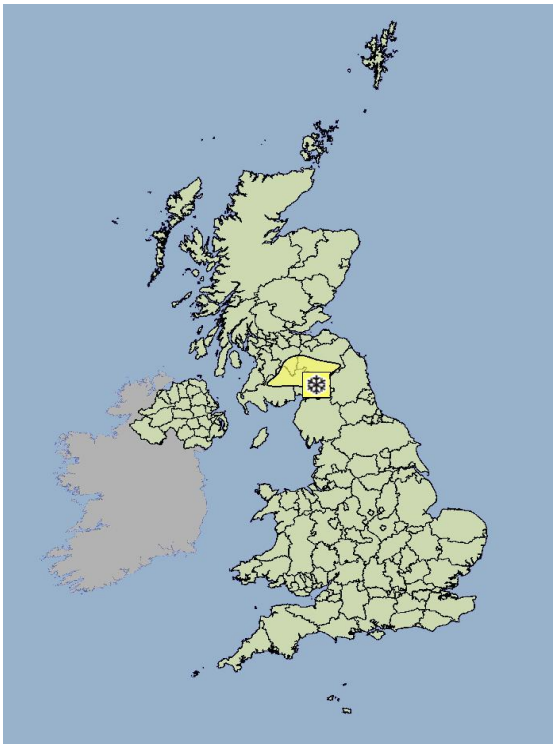
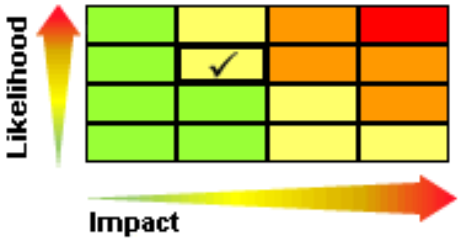
National Severe Weather Warning Service





Chief Forecasters Assessment
A spell of snow is expected from mid morning until mid afternoon on Wednesday. The snow is expected mainly over high ground with only temporary slushy accumulations at lower levels where mostly rain is forecast. 1 to 3 cm is likely in places above 200 m with 5 to 10 cm possible above 300 m. Strong winds will accompany the snow with drifting likely on the highest hill routes.

The Met Office have issued a **Yellow Warning** of **Snow**

Valid from **08:00 on Wed, 14th Feb 2018** until **15:00 on Wed, 14th Feb 2018**

A spell of snow is expected from mid morning until mid afternoon Wednesday, mainly over the high ground of the Southern Uplands.

Some longer journey times are likely, with delays to some bus and train journeys possible. There is a small chance that power cuts will occur.
